Prices

The prices shown are very competitive for the bespoke market, why have someone come to your house without knowing the prices up front, some other companies do not tell you the price until they come around and then you get a shock when they do! they can sometimes be twice as much as we charge. These are fair prices for great products. Beat that!

Bespoke chairs are **£1595** in any fabric material (upto 18 Stone)

Larger chairs up to 25 stone **£1995**

Larger chairs up to 35 stone **£2995**
