This is a superbly priced, comfortable and beautifully made chair that will live up to all your expectations for a chair with a fantastic price point.

Three way action mechanism, sit with your feet up and back up, extra high foot elevation for sufferers of circulation problems, oedema, and back problems.

The fabric is soft to touch and with its waterfall back (with **zipped cushions to add or take stuffing out**) is great for anyone with back ache or just looking for a comfortable chair to sit in. It has a riser function to assist with getting up out of the chair.

Mrs Saunders (Hull)

"Thank you for such a lovely chair, it is soo comfortable especially with my feet up and is also great to help me stand up out of the chair.

Delivery was also prompt and the driver was very helpful and gave me a demonstration"
