

Gobi Dual

The Gobi range is British made and crafted from the finest materials and incorporates a movement that is smooth and quiet called zero gravity that gives total support. This doubles with a waterfall style winged back for ultimate comfort. Designed and built by specialists, this outstanding riser-recliner is available in a choice of 4 fabric finishes (click on colours under chair and watch the chair change colour), and in sizes small, medium or large. Totally versatile in every way, the Gobi is second to none.
