

Hoist Chair

This chair has been designed specifically for use with a mobile hoist. It has a built-in battery which can be charged overnight for around ten days of use, so no trailing cables to worry about. The footrest folds out of the way underneath the chair. The standard material is Vinyl semi waterproof. The optional Panvelle material is fully waterproof.

Anti-fungal, anti-bacterial, MRSA resistant and anti-stain.
Price includes delivery and set up by our own trained staff.
