

Houston Cream Electric Recliner

The Houston Electric Recliner is one of the newest chairs to our collection, and offers high quality leather, bringing yet more contemporary style to the range. The Houston is undeniably one of the softest, most comfortable recliner chairs out there, and your comfort lies at your fingertips! Put your feet up and relax in the Houston Electric Armchair, and all with the simple touch of a button. This fantastic recliner only requires a few inch from the wall to fully recline, hence why it is so ideal where space is a premium.
