

Bromley

Features The Bromley range is crafted from the finest materials and incorporates a movement that is smooth and quiet called zero gravity which gives total support and with a waterfall style winged back(as in the Nevada style) for ultimate comfort. Designed and built by specialists, this outstanding riser-recliner is available in a choice of 4 finishes (click on colours under chair and watch the chair change colour) and in small, medium or large. Totally versatile in every way, the Bromley is second to none. Price Match Guarantee: Find the same chair for less within 1 week of ordering we will refund the difference.
